

Recovre WHS and Rehabilitation Services

For over 27 years we have been helping individuals and organisations realise their potential through the provision of customised solutions along a pathway from recruitment to prevention, to rehabilitation, and right through to redeployment.

We make a difference by helping people to be safe, healthy and productive at work.

Recovre has a specialist WHS division and our rehabilitation division with over 350 staff across 30 offices. We provide our customers with national consistency, local expertise and a breadth of services which is unmatched in Australia.

We are ISO9001 quality accredited nationally.

Workplace Health and Safety (WHS)
