

RECOVRE WHS AND INJURY MANAGEMENT OUTSOURCING SERVICE SOLUTIONS

Recovre is a leading provider of WHS and Injury Management/ Return to Work services.

We have built strong relationships with many of our customers who trust us to outsource their WHS and Injury Management functions to our team.

Many customers see the cost and expertise value in the outsourced model. The services may be utilised in various times of need, such as:

- ✓ Periods of annual leave and sick leave
- ✓ Between recruitment
- ✓ For projects where specific technical knowledge is required
- ✓ In busy periods
- ✓ Planning for accreditations or audits/self-licencing etc.

Services can be short or long term.

We can match the consultant to fit best with your workplace.

We will provide an Account Manager to ensure that service accountabilities are set at the onset and are met throughout the service, with structured meetings and reporting as required.

Recovre, as a division of JLT, provides access also to Workers Compensation insurance broking, to provide support on claim estimates and premium impacts, as well as strategies to drive positive claims outcomes.
